

Henrik Bastin Bio

Henrik Bastin is partner and CEO of Fabrik Entertainment, a Red Arrow Studios company, which creates compelling, original programming both for the U.S. and international markets. Bastin is executive producer of the Fabrik series *Bosch* (Amazon), *American Odyssey* (NBC), *The Comedians* (FX) and *100 Code* (HBO Nordic). Fabrik's credits also include *The Killing* (AMC), *Burn Notice* (USA Network) and *The Good Guys* (FOX). In 2011, Fabrik Entertainment became a Red Arrow Studios company, the first strategic investment by the Germany-based company in the key U.S. scripted sector. Bastin began his career in entertainment when he secured a production assistant position while on sabbatical from his studies in Business Administration at the University of Stockholm.
