

## Rachel Shane Bio

Rachel Shane, President of Production for MWM Studios (formerly OddLot Entertainment), oversees the company's production slate and in-house development. Shane served as Executive Producer on the film *Hell or High Water*, and her company's film *Landline* premiered at Sundance where it was acquired by Amazon Studios. MWM's television series *Genius* premiered on National Geographic as their first scripted series last April. MWM and Shane recently announced Rebecca Miller's film *She Came to Me* starring Steve Carell, Amy Schumer and Nicole Kidman. And alongside Bruna Papandrea and Reese Witherspoon, MWM is also developing *The Thing About Jellyfish*. Prior to joining OddLot, Shane was Executive VP of Production at Red Wagon Entertainment, where she served as Executive Producer on *Divergent* and *Lawless*.
